No Straw Day

**Activity Suggestion**

As to encourage students to reduce plastic consumption, we cordially invite your school to support our campaign and launch the following activities:

1. Become our “No Straw Partner”

Complete the confirmation form and participate in the No Straw Day event on the June 8, 2018.

Student canteens would not offer plastic straw unless it is requested. By participating in the No Straw Day, your school name will be put on the Partner List on our website so as to show our appreciation and gratitude of your school towards environmental protection.

2. Gather figures on the usage of plastic straws

By collecting figures of plastic straws usage in your student canteen(s) on June 7, June 8 and June 9, it would allow our foundation to evaluate the outcome of our event in your school.

3. Launch No Straw Day in School Campus

Apart from June 8, 2018, schools can launch their own No Straw Day (e.g. once a month) to further promote No Straw life among students.

4. Participate in the No Straw Talk

Our Foundation would offer a free No Straw Talk to our partners. We would explain the relation of human and the ocean, the origin of marine debris and the solution to disposal problem etc. Through the talk, we hope to educate students about the importance of plastic waste reduction and motivate students to say no to straws. The No Straw Talk would last for one hour and an appointment would need to be made at least a month before.

5. Spread the No Straw message

Our Foundation would also provide posters and promotion materials for our partners to download through the Internet, so as to help teachers and students understand the issue of marine waste and motivate them to protect the environment and wildlife.

**“No Straw Campaign” Suggested School Activities and Reply Slip**

“No Straw Campaign” is the continuation of OPCFHK’s “No Straw Day”. OPCFHK hopes to encourage your school to organise some of the following activities to promote a ‘straw-less’ and ‘plastic-free’ lifestyle. Please join us in making a difference in our oceans by choosing the following activities you would like to enroll in, provide your contact information, and return this slip to us.

**To: Ms. Nicole Kit, Ocean Park Conservation Foundation, Hong Kong (Email: [opcf@oceanpark.com.hk](mailto:opcf@oceanpark.com.hk), Phone: 39232372, Fax: 25535840)**

We hope to support the “No Straw Campaign” through the following activities (Could ✓ more than one option):

I. Be a partnering school of our “No Straw Campaign”

Partnering school may choose to organise the ‘No Straw Day’ regularly on the 8<sup>th</sup> of every month (“No Straw the Eighth”), every Friday (“No Straw Friday”) or everyday (be a “No Straw School”), and to refrain from giving out plastic straws unless upon request. Partnering schools will be listed on OPCFHK’s website to acknowledge their support for the campaign. Webpage: <https://www.opcf.org.hk/tc/show-your-support#school>

**Please choose (Optional, only if decision has been made):**

**Start month:** \_\_\_\_\_  **No Straw the Eighth**     **No Straw Friday**     **No Straw School**

II. Seminar on Marine Debris and going ‘Straw-less’

OPCFHK will offer free seminars on marine debris and plastic straws to interested schools. Through talking to students about the relationship between humans and our oceans, the current situation of marine debris, and the possible solutions, we hope to encourage students to start saying “no” to plastic straws, gradually shifting to a “plastic-free” lifestyle. The seminar will last around an hour, and **interested schools have to arrange the seminar with us at least one month before the preferred date.**

**Preferred date and time (Optional, only if decision has been made):** \_\_\_\_\_

III. Promoting the ‘straw-less’ lifestyle within schools

Partnering schools can download education kits, posters, and other promotional materials from the OPCFHK website, in order to promote simple actions everyone can take to make a difference to our oceans. Resource webpage: <https://www.opcf.org.hk/tc/download-zone>
